14. REPORT OF FINDINGS AND RECOMMENDATIONS

15. SIGNATURE OF INDIVIDUAL COMPLETING ITEM 14.

16. DATE

DATA REQUIRED BY THE PRIVACY ACT OF 1974

1. AUTHORITY: 5 US Code 301; 10 US Code 1071; 42 US Code; 44 US Code 3101.
2. PRINCIPAL PURPOSE(S): Provides a means for medical and allied medical personnel to refer individuals and families for Army community health nursing services.
3. ROUTINE USES:
 - a. To refer patients or family units to other military and civilian health and welfare agencies or to Army community health nurses at other military installations.
 - b. A case referral which contains medical information requires written consent of the patient or legal representative prior to release to a civilian agency.
 - c. A doctor's signature is required when medication and/or treatments are ordered.
 - d. To provide continuity of care, minimize duplication of effort and furnish accurate information to other health care providers.
 - e. When case is completed or inactive, one copy of record is returned to the initiator (item 2, above) and duplicate copies of record are destroyed when no longer needed.
4. MANDATORY OR VOLUNTARY DISCLOSURE: Voluntary, however, failure to provide information may prevent continuity of care, cause duplication of effort and prevent accuracy of information to other health care providers.
